DRAFTED | ATHLETE

Kristin Shiry

Thank you for supporting the 2020 Special Olympics Ontario Spring Games through the Draft an Athlete program.

With your generous contribution, you've made an athlete's dream come true: competing on the world stage, achieving their personal bests, and making memories that last a lifetime.

Continue your support by sharing the Draft an Athlete program on social media, with your family, friends, and colleagues.

We would also love your support during the Games as a fan in the stands! Look out for a schedule that will be shared with you by email in April with special information about the Games and competition.

Thank you once again for your donation, and for helping an athlete get to the Spring Games!

Sincerely,

2020 Special Olympics Ontario Spring Games
