

MAINTAINING A SAFE ENVIRONMENT

Students must use the designated doors for entering and exiting the school. Please stop at the doors and say good-bye to your child there. At school entry time parents are not to enter our hallways. Your child's teacher will ensure that he/she is moving safely into his/her classroom.

We request that all visitors, including parents, use the **FRONT DOORS ONLY** and first stop and sign in at the office. You must speak to a staff member and pick up a name tag/visitor pass before proceeding through the school or onto the playground. If you need to pick your child up for early dismissal, we will call them down to the office to meet you. It is important to ensure the safety of our students, as well as the guests in our school, and knowing who is in the building at all times is essential. Volunteers will receive volunteer badges to wear while working in our school.
