

WALK, RIDE OR TAKE THE BUS!

We encourage all of our students to take the school bus or walk to school. If you drive your children to or from school, then please use our Kiss'n Drop Zone on the stretch of Forestlawn at the east side of the school. Please ensure that your child knows where to meet you and that he/she knows to immediately go to the office if you are late and he/she does not see you.

Parents of Kindergarten students may park in the parking lot and walk their children to the school doors. Please ensure that your little ones are holding your hand while you're in the parking lot. Please wait with your child on the tarmac area until teachers welcome students into school.

At Lexington we have always had the expectation that parents do not drop students off in our parking lot – except JK/SK parents. We also want to thank you for keeping our school green by not allowing your car to sit and idle.

Bikes and scooters are welcome at school. For safety reasons students must dismount and walk their bikes/scooters at the beginning of school property. Students are to place their bicycles and scooters in the bike racks and lock them up with a combination/secure lock. Wearing helmets is the law. Helmets must be worn at all times by cyclists.
