

## **SUPERVISION BEFORE AND AFTER SCHOOL**

Teachers begin supervising the playground at 9:00am each morning. Students must not arrive at school prior to this time.

At afternoon dismissal, 3:35pm, teachers supervise until 3:50pm. Please note that teachers do not supervise playtime, their role is to ensure students are heading home.

Students must leave school property directly after dismissal at 3:35pm to ensure that a supervising adult knows their whereabouts.

If parents/guardians/caregivers are remaining on school property, please refrain from allowing children to play on school property and/or equipment until after 3:50pm when the supervising teachers are sure that all students are safely with their caregiver or on their way home.

Please note that there will be a 10-15 minute window afterschool where the playground equipment is closed.
