

Principal's Message June 28th, 2021:

This school year has been challenging and unpredictable and I would like to say thank you to the students, parents/caregivers and staff for their continued perseverance, dedication and hard work to finish off the year as strong as it was started.

With summer days just around the corner, I would like to wish our students, parents/caregivers, staff and community a safe, healthy and fun filled summer!

Ms. Tomkins
Principal

To Our Grade 6 Students,

As you embark on a new chapter of your life, always remember that learning does not stop inside the classroom. You will be a student as long as you still have something to learn, and this will mean all your life. Every experience in life will teach you something. You just need to keep an open mind and open heart to see what lessons middle school has to offer.

This year has been full of change and hard work and has been a massive learning experience for all of us. You have all persevered through these difficult times and are congratulated for this.

We, at Lexington P.S. encourage you to continue to work hard, set goals, and stay focused on those goals. Keep your eyes on your goals and don't let anyone or anything deter you from achieving them.

While we congratulate you for your achievements, we wish that you continue to try your very best in working with perseverance, commitment and enjoyment.

Grade 6's, you have brought such joy and happiness to our school. We are truly fortunate to have such a wonderful group of students at Lexington P.S. and you will be missed.

From The Lexington P.S. Staff

Goodbyes and Welcomes:

As this year draws to a close we join together in saying 'Farewell' to some of our staff. We would like to wish Mme Frederick all the best as she moves to Preston P.S. Thank you to Miss Wilson from K1 and Ms. Peard from K3 for supporting our Kindies this year. We wish them success in their next position. Miss Filsinger has been teaching Kindergarten Distance Learning this year, and will be joining us at Lexington P.S. next year as a classroom teacher. Next year, we welcome Mme Belanger back to Lexington from Distance Learning.

Next Year's Classes:

As staffing continues to change and update through to the end of August, you will be notified with information about the first day of school procedures prior to September 7, 2021. Please check the [Lexington P.S. Website](#) regularly for updates and information regarding this process between August 18 and September 7.

Lexington P.S. and Community Summer Challenge 2021:

Thank you to everyone who took the time to participate in a little joy through our Lexington P.S. Summer Challenges. The students showed excitement and the videos added some humour to a difficult situation of not being together as a community. Families, enjoy your time together this summer and we look forward to seeing everyone in person (hopefully) in the fall!

Have a safe and enjoyable summer!
