Who is the Preparatory Program For?

The Summer High School Preparatory program is for WRDSB students entering Grade 8 or 9 in September who:

- achieved a level one or two on their most recent report card and
- would benefit from focused instruction in either numeracy or literacy.

Student Benefits

This program aims to improve student achievement by building and consolidating student knowledge and understanding of key concepts in numeracy or literacy.

Involvement in this program provides students with a positive, engaging learning experience that also fosters confidence in their academic ability.

Summer High School Preparatory Program

Grade 7 and 8 students will choose either numeracy or literacy for the three-week summer program. Through authentic, inquiry-based learning, students may deepen their knowledge and understanding while consolidating concepts in their chosen area of focus.

Participation in this program will reinforce key concepts that are the foundations to success in Grade 8 and 9.

Summer School Attendance Policy

Daily attendance is required.

Attendance in any summer school program is essential in order to benefit from the program being offered.

The Summer High School Preparatory program provides students with opportunities to engage in authentic tasks that consolidate previously acquired knowledge and skills.
