Dear Mr. Hori and Ms. Haddock:

Thank you for your gift. You have truly *shared our wish... so all will be fed.*

When you made your donation, did you imagine the face of an unemployed friend who quietly needed help? Perhaps your image was of a grandmother sipping a cup of hot soup, or of a relieved father who was able to feed his family today. Maybe you remembered the sense of peace from watching a child asleep after a nutritious dinner.

Whichever image you envisioned, you chose to acknowledge your neighbours' struggles by providing support with your donation of food. Your donation of 418 lbs will set food on the table and provide hope for many of the 28,200 neighbours who will ask for food assistance from The Food Bank and our 82 community food programs in the coming months.

Thank you once again. We trust that your act of generosity towards others has filled you with the same sense of hope and joy that comes with receiving food and knowing there are neighbours that care. May peace and prosperity be with you throughout the coming year.

Sincerely,

Wendi Campbell
Executive Director
