Rolls

Secretary – Sarah Elinesky

Treasurer – Tanya Winger

Chair – Alyssa Vasey

Chair – Ashley Furlong

1. Review and approval of December minutes

Approved by everyone

2. Treasurer's Report

Nothing to report – no changes since December

3. Fundraising update

Fundraising letter completed but hasn't been moved on, only because of timing – January everyone was at home, hesitant to send out – adding another burden to families during the shut down

Now that we are back in, Philip is sent to move forward with publishing it on school day and sending to others and putting up on school web site

Giselle – school council area on Meadowlane's website – could we have the contents of our letter and links to the fundraisers from there?

Factory shoe – they don't have the ability to use the cards online – work out details on how to hand them out – Tanya still working out details

4. Principal's Report

Happy to be back in the building – staff and students

Kim Crawley is back – has some catch up to do

End of January was deadline for other families to change mode of learning – in person numbers are higher than October/November so no re-organizing required

Change date cut off is March 4th

It is possible that they may do another change date later – not firm though

Painting is done within the budget that was available – looking for more budget to finish the rest of school

New signs for each classroom for teacher name and room number added

Hopes that next summer when windows are being done and kindy area – rest of painting will be done

Report cards went home today – spoke to the changes about math

March break postponed till April

Equity question – unlearn on it image

5. Teacher rep updates

Happy to back in person

primary teachers mentioned how appreciative they are of how parents are respecting the new drop off and pick up rules

6. Miscellaneous

Discussions around swag – what can we do

Look into donations for the t-shirts

Have a box to check off that they want to help another student get a t-shirt – sponsor a t-shirt.....

VOTED:

T-Shirt – every student gets one – funded by council

Additional T-Shirts – as an option to purchase

Hoody – as an option to purchase

Water Bottle – as an option purchase
