Don't have reports so cant' say much

Hopefully we can keep goin to get other components started

Principal's Report

Introduction of Marc Vender

Happy to have open house – great turn out

Terry fox is happening next Friday

Beginnings of strong start program

Green team started

Soccer intermerals will start

Bus helpers will start

Lunch room helpers will start

Some other new faces – Christina P – Ms. Morrison, Cala Cabb ECE – Nicole Engel – new EA

Looking forward to working with council

The sandbox was put in over the summer – kids are loving it

Council Objective

We need to get back on fundraising

Are we able to be back in the school?

In general there are few restrictions – hygiene part of it. Many covid restrictions are removed.

We are supposed to move to school day from cash – it's a general rule for all schools

We can't stop the cash, but try to reduce it

McMillan is still on the table for fundraising – Patti has a contact – will reshare the link – all done on line – about 10% of all sales come back to the school – orders deliver direct to homes – tie it into Holidays – Christmas cookies - if Rheo is Christmas then maybe spring for BBQ

Indigo put back on the table again – cut off is October to set up – a shopping day – anyone that goes into the store on our day funds come back to school - \$5 from every order – we would have to do it in the Fall – a week day and a 4 hour chunk of time

Pizza days and popcorn are coming back

Stacy will look into Stemmlers Meats for fundraising of pepperettes/jerky

Family pizza nights – we will talk about it next meeting

We can do fun fair yes, at this point – it can change but for now yes – we would have to put deposits down for the rides early in the new year

Kindie area, Gym equipment, music instruments

When fundraising we can name what from the list the fundraiser is for

Send out a reminder of what programs we have running all the time – send out Factory Shoe cards again – Tanya doing

Movie night – community gathering – voted YES – Marc will double check on the copy right aspect of it – there is a library of movies they can show – let's look at November 16 tentatively

Patti will start moving on McMillan – will work with her contact to get it started – won't take long can get it started next week – Patti will confirm back tomorrow if it's a go

Rheo Thomson chocolates – is Holiday time – voted on – is a go for November – Alyssa will take on

Misc.

Parents reaching out grant – we still have it till June – it will come up again – it's an event to educate parents

Will we have teacher reps joining meetings – so far yes, 3 have signed up

Spirit wear – hoping to do another order – we can – let’s wait for another week or so to see if school day is up and running again – I will adjust the order forms and send to Alyssa

Picture day – when is it? Tanya and Leslie have emails from them – will send to Marc – Marc will send out an email once he confirms date

Date Tanya and Leslie have a date of Oct 13 jk-grade 6

Next meeting October

Alyssa adjourned meeting at 8:30
