City of Cambridge SUMMER 2015

Playgrounds & Day Camps

Summer Playgrounds

Grow and Discover!

Each summer the City offers a dynamic, affordable opportunity for children to grow and discover over the summer months through the Summer Playground and Day Camp program.

Children enjoy crafts, sports, music, games, songs, swimming, special events (annual city-wide camp carnival), and trips to off-site destinations, while making friends, having fun and enhancing their interpersonal skills. All programs offer weekly sessions and every week includes new activities.

Programs are led by Leaders who are trained in HIGH FIVE Principles of Healthy Child Development and Standard First-aid. Leaders are also Police screened and supported by volunteer Leaders-in-Training.

HIGH FIVE

The City of Cambridge is a committed member of HIGH FIVE - a province-wide quality assurance program designed to support the safety, well-being and healthy development of children in sport and recreation programs.
