Mavericks Make Memories!

We are capturing these memories and compiling them in another outstanding yearbook! Our Sharpshooters take 100s of photos of each event! Our student yearbook team selects the best of the best to create event pages and then our parent advisor, Mrs. Dahms, adds all of the professional images taken by Lifetouch throughout the year. Our Lifetouch yearbooks are of exceptional quality with glossy colour and attractive borders and as many great photos as we can pack into 44 pages! We want to include all of the exciting year end events so yearbooks will be ready for pick up the last week of August 2016.
