

ONE COIN, ONE BRICK, ONE SCHOOL AT A TIME.
COLLECT COINS AND HELP BUILD A SCHOOL IN ONE OF
FREE THE CHILDREN'S DEVELOPING COMMUNITIES.

“We Create Change” is your chance to open doors for children everywhere. We will be collecting coins to fundraise for Free The Children’s Year of Education initiative to build 200 schools and improve access to education in developing communities around the globe. The We Day Team has decided that we would like our Global initiative this year to be to help build a school in Sierra Leone--a country that has endured 11 years of civil-war and where schools are needed desperately. Collect \$20 and your change can provide a brick for the construction of a new school. Build a school, and your change can educate hundreds of children. Give children a chance to learn, and your change can help a generation make change for themselves. Imagine a future where every child is free to reach their fullest potential through education. It starts with your change, which becomes change for the world.
