Camp Program

Each camp session is matched with an age-appropriate theme that is developed throughout the week. Games, skits, songs, crafts, stories and other activities bring the theme to life in fun and stimulating ways. Campers are encouraged to live out their theme while eating, swimming, wall-climbing, building friendships with each other, and of course when they leave camp at the end of the week!

This summer's theme is... RIPPLES

Like the ever-widening ripples that a pebble makes when it is thrown into a pond, our attitudes and actions can affect not only the people close to us but also those much further away. This summer we'll first figure out what kind of splash we're going to make by considering who we are and the gifts God has given us. We'll take a look at how Jesus treated the people around him, and then we'll get to decide if we want to jump right in and impact our community by helping and supporting those around us. Do you think the ripples we make can cross a major highway? Or even an ocean?! We'll just have to wait and find out!
