

Dear Staff and Students of Northlake Woods Public School

On behalf of the entire Free The Children team, I would like to extend a sincere thank you for your hard work and dedication in raising \$3, 322.35 for children in need.

We are happy to tell you that we have allocated your generous donation to one of our many clean water and sanitation initiatives in the community of Eor Ewuaso, Kenya. These projects include drilling wells, building rain catchment systems and hand-washing stations, building latrines, and hosting clean water and sanitation workshops.

Once again, thank you for all your excellent work and generosity. The funds you have raised mean more than you can imagine to the lives of children in need. I hope that this fundraising success has shown you that young people have the power to do great things in the world, and I encourage you to keep up the momentum in your future fundraising projects!

In order to honour you for all that you have done, and all you continue to do, I would like to share a personal thank you video as a small token of our appreciation for your hard work and dedication!
