

School Council Ongoing Fundraisers

2022-2023

Thank you so much NLW Families for your continued support of our students. We have a number of ongoing fundraisers set up for items you may already be purchasing. The money raised through our school fundraising goes to things such as our home reading program, clubs, sports teams, school events, STEAM fair, track and field, primary play day, guest speakers, and grade 8 celebration to name a few. Please see the list below for our fundraising partners and our NLW codes:
