

Park Manor School Council 2019-2020

“UN-FUNDRAISER”

Park Manor School Council is excited to introduce a new fundraising initiative!

What is an “Un-Fundraiser”?

Simply put, an “Un-Fundraiser” involves collecting donations **without selling products**. We are offering a quick and easy ONLINE FUNDRAISING campaign.

With a typical fundraiser, where your child (and parents!) sells items, the school will only earn a small percentage of the total dollar amount that is spent by you. Through the “Un-Fundraiser”, every penny of your donation goes directly to Park Manor Public School Council to benefit all students.

Our goal this year is: \$5000

School Council uses funds to help pay for things that benefit ALL students. For example, **field trips, guest speakers, Caribou Math Contest, Swim-to-Survive Lessons, Electives, Maker Space, Robotics and Graduation**. This donation based fundraiser saves time and provides more for the school than the average fundraiser!

What are the benefits of the “Un-Fundraiser”
