

Important Bussing Information:

There will be a lot of changes to bus routes over the summer with the new bell time changes for some schools.

Please note that Sir Adam Beck P.S. bell times have not been changed. (8:20 a.m. and 2:40 p.m.)

Along with new route connections, our Transportation Dept. is changing their numbering system for their busses. There may also be new drivers and/or bus companies in September.

With all these changes taking place, we would ask that you please check your children's bussing details on the Transportation website **after August 21, 2014.**
