

School Council Annual Report 2015-2016

Our Silverheights School Council has had a wonderful 2015-2016 school year. We are proud to report the following achievements:

- We were able to offer our Pizza Lunch Program to all students from JK-8 for two sessions this year, winter and spring. This year we changed our pizza day to Tuesdays which was a big change for us but after a few weeks we almost forgot Wednesdays had ever been the usual day. We were thrilled to partner again with our hardworking local Gino's Pizza parlor and as always they did a fantastic job for us. The two sessions of pizza raised approximately \$4000.00.
- This year we offered the Tasty Batter Cookie Dough Fundraiser. This fundraiser has been so successful in the past that we decided to run it again and we are glad we did. This community loves cookies and so we were able to raise almost \$5000.00 for the school. We appreciate all of the hard work our Silverheights families put forth. What a great effort!
- School Council supported a number of celebratory parties all held to congratulate our Girls and Boys Athletic Teams for their hard work and dedication both on and off the Court/Field. These students exemplify what it means to be a Silverhawk and we are happy to support all that they do. Congratulations to all.
- We were also happy to contribute funds to support both Junior and Intermediate Track and Field. Students enjoy this fun day and we love to help make it really special for them.
- Funds were also provided for the Grade 8 Graduation celebration. This is an important milestone for our hardworking Grade 8's in their

final year at Silverheights and they enjoy it so much. We wish these students all the best on their High School adventure. Good Luck!

- School Council has been raising funds for the last two years without a big project in mind. Surveys were sent out to Staff, Students and Parents to see what people most wanted to see the funds spent on. The votes were tallied and we are thrilled to announce that we will be purchasing a portable stage for the school. The stage will be purchased in the fall. We are very excited that our school will have this stage available to our Staff and Students for all the exciting events they will plan. We can't wait to see how many ways it will be utilized. The possibilities are endless.

The Silverheights P.S. 2015-2016 school year was very busy and productive and School Council is proud to be a part it. We would like to thank all Parents/Guardians, Staff and Students for all of their support. We appreciate it.

We hope you have a great summer. Stay Safe! See you in September.
