

Program Details

Senior Campers: 8-12 years

Youth in Motion: Fitness classes, marathon challenges, yoga and much more...learning the basics of heart health, nutrition, muscle ability, flexibility and body image.

Hollywood Pop Star: Campers will explore different genres of music and dance, learn to write their own songs and develop their own music videos.

Comic Book Camp: Campers will illustrate, write, create and bring their characters to life in their very own comic books.

Digital Photography: Learn photography tips, tricks and techniques! Campers will be introduced to contemporary digital photography, while working on projects and preparing pieces for the end of week expo.

Junior Campers: 5-7 years

Sports Week: A week full of active indoor and outdoor sports; soccer, basketball, races and much, much more.

Creepy Crawly Exploration: Campers will collect bugs, build bug habitats and observe the metamorphosis of caterpillars into butterflies.

Super Science: Experiment, get messy and observe the cause and effect of solid and liquid materials interacting with each other.

Creative and Crafty Camp: A week of exploring, building, and creating! Campers will explore through a variety of fun materials, paints, and colours.
