

# SNA's Spring Session is in the air!!

Our Spring session programs are filling up quick!! Don't miss out on joining some of our fun-tastic recreation programs including:

Science Fun - a wide range of awesome experiments including homemade slime, catapults, homemade chalk, exploding lunch bags and much, much more!

Mondays, 3:45 - 5:15 pm. \$45.00/child. Grades 1-5

Indoor Soccer - become a master soccer player by learning all the essential parts of the game, without having to worry about the weather!

Mondays, 6:00-7:00 pm. \$35.00/child. Grades 1-4

Lego Club - join us at SNA and let your imagination soar! Youth create incredible projects such as race cars, a tallest tower competition, Lego challenge cards and free build!

Wednesdays, 3:45-5:15 pm.  
\$45.00/child. Grades 1-4

Location: 15 Baldwin Drive, located inside of St. Gabriels School
