Sharing with my community.
Every day.

Dear Southridge Public School:

This October, The Food Bank of Waterloo Region marks 30 years of providing community support. Your donation of 616 lbs will help put food on the table for children, seniors and families seeking emergency food assistance. We sincerely thank you for helping Waterloo Region remain a place of hope and recovery.

As we head into the winter months, and the temperature begins to drop, utility costs increase and many households will struggle to make ends meet. One house on every street will have to choose between warmth and food. No one should have to choose between their basic needs.

Your support is making a difference in our community every day. Because of people like you, we are able to provide the food for more than 35,500 meals each and every week. Thank you for helping us ensure no one goes hungry.

Our community is at its best when we're working together.

Sincerely,

Wendi Campbell
Executive Director

The Food Bank of Waterloo Region is fully committed to ensuring our community's donations of funds and food are treated respectfully by our staff, volunteers and Board of Directors.
