Dear Parents/Guardians:

Re: Parent-Teacher Interviews

Based on the very positive feedback we received over the past two years, St. Andrew's will once again be using an online booking system to schedule appointments for Parent-Teacher interviews. The link to the website to book your child's appointments is

<http://standrews.schoolappointments.com>

Please read the attached document to assist with this process. You will be able to start booking appointments online starting on Monday, October 27 at 9:00 am. Teachers will be available to meet in person or for phone interviews. You will be able to specify your choice when you book your appointment. If you are interested in booking an interview with more than one teacher, this is also possible if the teachers have availability at the same time. The system will allow you to book teachers during the same time slot (if the teacher is available). If you are not able to find a time that suits you, please contact the teacher directly using our Voice Mail System (519-570-8131) to book an alternate time with the teacher. See the back of this letter for teacher extensions.

If you do not have access to a computer/internet or you would prefer to book directly with the school, please contact the main office and we will be pleased to assist you. If you have any questions or concerns, please let us know.

Sincerely;

Mrs. Karen Tomlin

Principal

Mrs. Christy Webster

Vice-Principal
