## Developing Leaders in Our Community

Now that our new Youth Leadership Development Initiative is underway we invite you to come out and hear what it is all about. This unique and diverse program opens new opportunities for children and will help play a role in developing future leaders in our community.

Mary Wilhelm the Director of Woolwich Counselling Centre will be joining us as a guest speaker. Mary will share some information about the Counselling Centre and will help us understand the impact they have on young people.

Please join us for an evening of  
information and fellowship  
Wednesday October 29th 7:00 pm  
at the firehall in St. Jacobs

Our focus is on developing the youth of our community.  
By applying ourselves to undertake positive service projects that  
encourage the development of youth we advance the  
well being of the community for all.

**Make the time. Make some friends. Make a difference.**
