

## PLEASE POST

Beware

The WRDSB 2016 Pumpkin Patrol will be back on our streets

Once again this year, the Pumpkin Patrol will be patrolling your school and community on Saturday October  $29^{th}$ , Sunday October  $30^{th}$  and Monday October  $31^{st}$  evenings.

During these three nights, the Pumpkin Patrol will randomly visit the Waterloo Region District School Board facilities as well as be a watchful eye for any problems that may occur while the children are out "trick-or-treating".

Staff have experienced a reduction in vandalism at Board facilities as a result of this program. The program acts as a deterrent in decreasing the amount of activities, damage to the schools and helps ensure increased safety to our children who may be out on the fun filled evenings.
