

OLA Forest of Reading® 2017 Winners Announced

Since New Year's our students have been reading and listening to Canadian authored books as part of the Ontario Library Association's Forest of Reading® Program. They voted in April and the winners have now been announced. This is very exciting for all of us here at St. Jacobs PS and at schools and public libraries all across Ontario. Of particular interest is the non-fiction winner Joel Sutherland who visited our school earlier this year! We were rooting for him.
