GaGa Ball is believed to have originated in Israel, and slowly spread across North America over several decades. Ga means "hit" or "touch" in Hebrew. In the rules of GaGa ball, the ball must touch the ground two times before it is considered in play, hence the name. GaGa Ball consists of a lightweight bouncy or foam ball and an octagon enclosure known as the "GaGa Ball Pit." The object of the game is to hit the ball at or below opponents' knees to eliminate them from the pit. The last one left in the GaGa Ball Pit is the winner.

Thanks to your generous fundraising last school year we are able to purchase a Gaga Ball Pit for the students across all grades to use during gym and Nutrition Breaks.
