A Very Special Thank You for generously supporting our annual Book Fair again this year, to Mrs Hellerman for organizing it and to each of the parent volunteers who helped to keep the book fair open during the day. Also a huge thank you to those parents who came out to help put together the GaGa ball pit. Home and School used some of the fund raising money from last year to purchase this for our students. We appreciate your donations of your time, talents and monetary support.

This Wednesday is the first meeting of your Home and School Association. Please consider coming out to join. We need your questions, ideas and energy to make this year a success.
