

Stanley Park P.S. & Grand River Collegiate Present

Family STEM Night!

Date: Wed. May 1st

Location: Grand River Collegiate

Time: 6:30pm – 8:00pm

Join us to hear from Lisa Zane, Project Manager of North discuss the present and future of wearable technology as well as an evening of drop in STEM activities.

To Register: [Click Here](#)

Sessions Include:

1. How to make homemade ice cream in the Chemistry Lab. (You get to eat it!)

2. Design and build your own customizable mini-bug robot in tech design!

3. Show off your coding skills by navigating the Sphero maze in electronics and robotics!

4. Create holographic images using ipads in the Physics Lab!

Registration is requested but not required. The evening will be informal. Families can attend all or part and drop in to any of the activities.
