Re: _____

Dear Parent(s)/Guardian(s),

Welcome to a new and exciting year at Sunnyside. We are currently working on the development of Individual Education Plans. An IEP is a written plan describing the accommodations and/or modifications needed to help a student achieve success at school.

As Special Education Resource Teachers (SERT's), we value your input and recognize the important role you play in helping us to better understand your child and his/her learning needs. We will review the IEP from the previous year and consult with your child's teacher(s), but would appreciate if you could also take a few moments to complete the following questions to ensure an accurate and relevant IEP is written for your child.

Once the IEP has been completed, a copy will be sent home for you to review. You will also have the opportunity to meet with your child's classroom teacher and the SERT in order to discuss it in more detail.

If you have any questions or concerns, please do not hesitate to contact us at Sunnyside at (519) 896-1130.

Thank you for your time, we look forward to working together with you to maximize your child's success.

Sincerely,

Miss. deBoer & Ms. Shannon
