"People Say 'sticks
& stones may
break your bones,
but words can
never hurt you'. But
that's not true. Words
can hurt. They hurt
me. Things were said
to me that I still
haven't forgotten."

- Demi Lovato

things go wrong we can knock it down. My three words have to meanings, There's one thing on my mind it's all for you And it's dark in a cold December, but I've got you to keep me warm If you're broken I will mend, Yeah and keep you sheltered from the storm that's raging on now I'm out of touch I'm love I'll bring you up when you're getting down And I love you better now I'm out of sight anytime And out of all these things I've done I love you better now, now It's another If it ain't one thing Instigators like putting fire on propane They be worried 'bout 0000 You know feelings And how they like to run they mouths Wanna be, wanna be, just like, talk like you Misery, loves company Don't let 'em change your mind You od They tr Y to get at me Behind your back try'n to tell me that im du st like the others But i aint all that bad No, No I aint all bad I might make you mad, so m d My bad, no, no, hain't all bad. Say something m giving up on you I'll be the one if you want me to, Anywhere old of followed you Say something ng, I'm giving up on you. And I as eling so small It was over my head I know nothing at all d I will stumble and fall Im still learn ing to love just startin you I'm crawl Say something Im giving up on love you I'm cry that I couldn't get fays' Nobody's gonna hold you you cant display a way to Capture this Nobody's gonna hold you d And guide you through No it's up for you to understand Not a feel your pain When all is done... And it's time for you to walk we that you have to say oh.. say all that you have to say? So they you to laugh with smoke in the backyard lights we best time until we choked into the westered nights It was dont I dont wake me up 'cause my thrill is gone, and ke forever alone. You're gone and search me to
