Unless someone
like you cares
a whole awful lot,
nothing is going
to get better.
It's just.

To the world you
may be one person;
but to the person
you may be the world.

I SPEAK FOR THE TREES

Today you are You,
that is your choice.
There is no one
else who is
You-er than You.

Be who you
are and say
what you feel
because those
who mind
don't matter
and those
who matter
don't mind.

Why fit in
when you
were born to
stand out?

a person's a person,
no matter how small

There are
no accidents.
