## Proceeds:

100% of the proceeds from this clinic will go directly to PGC Cares and the building of the MCF Sports Complex.

## MCF Sports Complex:

PGC is pleased to spearhead the building of a sports complex for the Mully Children's Family in Ndalani, Kenya. The sports complex will include two basketball and volleyball courts, a gymnastics center, and a karate dojo. Construction will begin in January 2016, with the goal of completing the work by August.

## About MCF:

Mully Children's Family (MCF) is a non-profit, non-political, non-governmental Christian organization founded by Dr. Charles and Esther Mulli. MCF has witnessed more than 8,000 children being successfully rehabilitated and reintegrated into society over the last 25 years.

## The Mission:

MCF uses sports as a critical part of rehabilitating children. MCF children are currently competing at the highest levels of national and international competition in karate, soccer, and gymnastics. With PGC's help, basketball will be the next sport introduced at MCF.

### About the Clinic:

Celtic Basketball Clinic provides a well established instructional program focused on improving basketball fundamentals, instilling positive work ethic, and having fun in a safe and inspiring environment.

Participants will have the opportunity to improve areas of their game through individual instruction, fundamental stations, game situations, and competitive scrimmages. We believe that all participants with a passion for basketball can excel when provided with proper instruction and the tools to succeed.

### Clinic Session:

Our full-day clinic experience will offer participants both morning and afternoon sessions focusing on individual skills and team play.

### Morning Session:

The morning session will focus on individual skills and drills in all areas of basketball development including ball handling and dribbling, shooting, passing, body balance and footwork.

### Afternoon Session:

Afternoon session will focus on the team aspects of basketball; cutting and moving without the ball, screening, playing defense on and off the ball, building team unity and confidence.
