

JUST GIVE

CRAM-A-CRUISER FOOD DRIVE

Hello Parents and Students!

We are sending a challenge home to you!

The Michael "Pinball" Clemons Foundation has created a kindness movement called JUST GIVE.

The JUST GIVE movement is inspiring kindness throughout our community.

On June 8th, JUST GIVE is taking over Ontario and spreading kindness. The Waterloo Regional Police has accepted the Cram-A-Cruiser Challenge and will be coming to your school to pick up donations!

WE NEED YOUR HELP!

Please send a non-perishable food item or two to school with your child before June 8th, 2016.

Schools that can collect enough food to cram a cruiser will participate! On June 8th, the police will arrive at the school and kids will get to cram the cruiser with all the food donations. The police will then deliver the donations to The Food Bank of Waterloo Region and Cambridge Self Help Food Bank.

We can't do this without you! Let's fill the food banks for the summer and help make a difference for the people who use our food banks on a daily basis.

Sincerely,

Michael "Pinball" Clemons
