

Trillium Turkey Dinner !

On Wednesday, December 17th, Trillium's School Council will be providing a free holiday feast to the staff and students. This has become a wonderful Trillium tradition in the last few years and is a special opportunity for our school to celebrate the holidays together. In order to make this happen, we need your help! If you are able to assist with the meal; whether with meal preparation, serving, or clean up, please let us know by completing the return portion below.

We will also hold a planning meeting at the school on Wednesday, December 10th at 6:00 pm and would love for you to join us to help sort things out ahead of time.

Thanks for considering!
