

It is time for Trillium's Holiday Food Drive!

From **Monday December 1st** to **Friday December 12th**, we will be collecting non-perishable food items for the Food Bank of Waterloo Region. Last year, we far exceeded our goal of 500 items so this year we have set a goal of **collecting 1000 items as a school!** In addition, last year, some of our Me to We Club students brought Trillium's donations to Stuff a Bus at the Laurentian Zehrs and we are hoping to do the same again this year.

Thank you in advance for your support of Trillium's Holiday Food Drive!
