

# Winter Weather

## School Cancellations:

As the past few days have reminded us, winter has definitely arrived. Parents are encouraged to check the following media outlets for school closures on mornings when the weather appears to be severe. Please remember that because Trillium is a “walking only” school, we will be open unless the entire School Board is shut down. As always, it is the parents’ decision whether or not to send a child to school due to weather conditions. Please call our attendance line (519-570-8139 x. 3864) if your child will not be coming to school.

**CTV Kitchener is also contacted**

**WRDSB Website**     <http://www.wrdsb.ca/>

**Trillium Website**     <http://tri.wrdsb.ca/>

When the school opens, it will be kept open unless extremely unusual circumstances occur. An announcement will be made on the radio stations and posted on the WRDSB website as soon as possible in the rare event of an early closure. The school will make every attempt to reach parents/guardians based on the contact information we have been provided. If no direct contact can be made, the student will remain at school until contact is made.

## Winter days at School:

On days when the weather is cold, snowy or windy, please consider the following:

- Students need to be dressed for the weather. Students will spend two 20 minute breaks outside during the day, and they need to be dressed to keep warm and dry. There may be times when the decision is made to have indoor nutrition breaks if the weather turns very cold during the school day.
- Morning supervision begins at 8:45 am, and students should not be on the school grounds before that time.
- Please ensure that students arrive at school before the 9:00 am bell so that they can enter the school at their designated door, and have time to remove their coats and boots before class time begins
