

December Vista Hills Marketplace: HAWKS Give Globally

Thursday December 12th: 8:35 until 5pm

&

Friday December 13th: 8:35 until 2:55

Our Vista Hills Marketplace is an opportunity to admire and purchase handmade items for a worthy cause. In preparation for our VH Marketplace, many students will make items in classes and clubs to give to this initiative. We welcome donations of handmade items made at home by students and their families. Please consider making baked goods, crafts, or other special items to be sold at our VH Marketplace December 12th and December 13th. All baked goods must be nut and gelatin free. Please include a list of ingredients. Baked goods can be sent to school Wednesday December 11th and Thursday December 12th.

Students will be able to admire and purchase items during their class visit to the VH Marketplace. We invite families to visit the VH Marketplace until 5pm on Thursday December 12th.

All proceeds from the VH Marketplace will support One 4 Another International, a Cambridge-based charity, with the hopes of helping children in Uganda. The money raised will be used to fund life-changing surgeries for children born with clubbed feet.
