#### Information about Final Evaluations

- While 70% of a student's grade is based on work completed during the term, 30% of a student's grade in every course is based on final evaluations administered at or towards the end of the course ([Growing Success](#), 2010).
- Students may be required to complete one task or project, or they may be required to complete multiple components as part of the final evaluation for a course. Students will be required to complete all components of the final evaluation.
- Final evaluations, including examinations, may occur during regular class time or may be scheduled during the three exam days at the end of the semester (or a combination of both).
- Regular class attendance and attention to school work are especially important during the month of June. **Absences from any final evaluation must be validated by a parent or guardian.** Failure to successfully complete final evaluations will affect a student's final grade and may result in a failure to earn the credit.

#### Study Week

Starting June 17, there will be no school activities (ie. extra curricular activities, field trips, etc) running during this school week in order to provide time for the students to prepare for the upcoming Exam and Evaluation Days.

#### Exam and Evaluation Days - June 24th, 25th and 26th, 2024

- All students must be available to attend school on exam and evaluation days to complete assessment tasks, as requested by their teacher. Courses with final evaluations occurring on these days have been outlined on the schedule attached. Teachers will also review this information with their classes.
- Student attendance will be taken for scheduled exams, assessments, performance tasks, in-person credit rescue and level-up opportunities.
- ACE students will attend school according to their regular schedule.

#### Supervised Study Spaces on the Exam and Evaluation Days

- When students do not have an exam they may study and work from home. The **Library** will be available for silent individual study. The **cafeteria** will be available during regular school hours for those who wish to talk or study in groups.
