Dear Families:

This year at Winston Churchill we are working very hard to have a new Natural Learning Play Space built in our kindergarten playground area. We have applied for the Aviva Community Fund to help us with funding for our play space. The Aviva Community Fund is an online competition to possibly win the funding needed. The way to win with the competition is to **acquire votes** from friends, family and members of the community. Voting for the second round of the competition starts on **Monday, October 21**. Check out our video on the Aviva website at avivacommunityfund.org/ideas/acf16921.
