

**Wellesley Approved
Mini-Stick
2014-15**

- Students will be allowed to bring the above style of “Mini-Stick” to school.
- We will allow the thinner ones that are bought at stores and not the thicker ones made at home
- The longer, thicker fiberglass sticks (22inches long) will not be allowed at school
- We will not allow sticks with plastic blades added to wood handles, sticks where an extension has been taped onto the original shaft, or regulation size hockey sticks to be used at school.

Basic Rules:

- Always display good sportsmanship and respect towards teammates and opponents
- Keep sticks below your waist
- Have fun, be active and enjoy the game!
- Solve any problems together – if the problem can't be resolved, the game will end and students may try again the next day or next break
