Wellesley P. S. is excited to announce that we are now in Phase 1 of School-Day. It is an online portal that lets us instantly share school news and events by email and at the same time, reduce our paper usage. School-Day can be accessed from any computer or mobile device. We would like to thank School Council for their support and financial contribution to this new initiative.

WHY YOU NEED SCHOOL-DAY..... 'No more papers to lose'

Register NOW to receive emails regarding:

- staff information, updates or reminders pertaining to specific classes, teams or clubs
- administrative announcements related to school happenings, bus cancellations, school closures, etc.

Implementation of other School-Day features is dependent on the success of participation by our parent community in Phase 1.

Future phases may include the opportunity for parents to book parent/teacher interviews online, approve permission forms instantly online, and complete instant online payments.
