

**Wellesley Public School - School Council Meeting**  
**Thursday November 27, 2020**

**In Attendance:** Brian Beney, Erin Agnello, Jamie Enns, Chantel Franklin, Lisa Windling, Melissa Turner, Mel Quint, Suzanne Krahn

**Regrets:** N/A

**Motion to Pass September Meeting Minutes:** Mel Quint, Seconded by Jamie Enns

**WRAPSC Update from November 3rd**

- WRDSB guest speakers; responding to questions provided in advance
- Chantel can share her notes from that meeting
  - Highlights include: Ontario is the only province offering 2 modes of learning, Board has gone into reserves to provide PPE, general discussion related to Public Health measures and a talk about the spread of Covid 19 in schools

**Fundraising**

- Chantel had a plan almost ready to launch the WEFI fundraiser and then the Book Fair came along and just 2 days ago the WRDSB sent out a message regarding “giving the gift of WEFI”
- Teacher wish list didn’t have a lot on it and the school is able to cover things for now
- Another thing that typically happens at this time of year is a food drive or sock/mitt drive - this can still happen, but there are many logistics involved - some places have online donation options (e.g., Woolwich Community Services) - staff will be preparing something and we will hear about it on School Day.
- Twin Centre Stars & Hurricanes are doing a Food Drive on Dec. 13th - Do we want to promote this; perhaps piggyback on that idea??
- We will reevaluate in March and see how things are going with regards to Covid and plans for the remainder of the year

**Treasurer’s Report/Budget**

- Nothing new; no money came in no money went out

**Principal’s Report**

- Staff will be doing some type of fundraiser/donation drive for the community
- Book Fair kicked off on Monday, Nov 23; runs until next Friday, Dec 6, 2020 - online reports show that things are going well; we are the 2nd largest Scholastic Book Fair in Canada
- Continuing to work very hard to keep students and staff safe at school; things are always evolving (e.g., winter clothing/hooks)
- Students have been very flexible and resilient through everything!
- Erin sent out a School Day message today with reminders for the community; please review it...especially the part about the parking lot

- Gym usage - classes can now go to the gym once per week due to timing
- There have been no cases at WPS to date!

If you have any agenda items for January, please reach out to Chantel prior to the meeting.

**Next Meeting: Thursday January 28th @ 7:00 p.m.**
