### **Class Lists**

To comply with privacy legislation, class lists will no longer be posted on the outside windows or doors of your child's school. At your convenience starting September 2 and throughout the weekend, you will be able to determine your child's homeroom teacher using [School-Day](#). When you log into your account, click "Schools and Groups" on the blue left hand side menu, then click "Your Classes." This will show the classes and groups your child is linked to within our school. Homeroom names are in the form of 1A or 7-1. **Note - Class lists may change up until the morning of Friday, September 8, 2023, due to ongoing registrations.**

Once you have determined the homeroom, you can find the name of the homeroom teacher using the following list above. For more information please check [Elementary Class Assignments](#)
