Kitchener

(Parking available in lot at the back of school)

Ross W. Greene, Ph.D. is the originator of Collaborative & Proactive Solutions (formerly known as the Collaborative Problem Solving approach) and author of the books *The Explosive Child* and *Lost at School*. He is also Associate Clinical Professor in the Department of Psychiatry at Harvard Medical School, on the teaching faculty at Cambridge Hospital, adjunct Associate Professor in the Department of Psychology at Virginia Tech, and Senior Lecturer in the school psychology program in the Department of Education at Tufts University. He consults extensively to families, general and special education schools, inpatient psychiatry units, and residential and juvenile detention facilities, and lectures widely throughout the world.
