

Waste-Free Lunch

CHALLENGE

Are you ready for the CHALLENGE?!?

Did you know that school lunches are a major source of waste in Ontario? In fact, the average student's lunch generates a total of 30 kilograms of waste per school year, or an average of 8,500 kilograms of waste per school per year.

Parents and Guardians are invited to visit the WFLC's parent website at

www.wastefreelunch.com.

Here, you can download resources to help ensure you are doing your part to reduce lunch waste at Williamsburg.

In an effort to engage students in small environmental initiatives that can make a big impact, Williamsburg is participating in the week-long **Waste-Free Lunch Challenge** (WFLC) beginning on October 20th. The Waste-Free Lunch Challenge is a province-wide initiative run by the Recycling Council of Ontario (RCO).
