

BACK-TO-SCHOOL KIT INFORMATION

SEPTEMBER 2014

Dear Parents/Guardians,

As one school year ends, we also begin to think about the beginning of the next. Often parents ask us for suggestions when purchasing back-to-school supplies for students. The staff members of Woodland Park have outlined purchase suggestions for you by division or program areas. Orders have been placed for grade 1-8 students for a commercially-produced planner. Students in grades 1-8 are expected to use these planners, which have been personalized for our Woodland Park students at a cost of \$7.00 each. Parents, please remember that the purchase of these materials is optional and basic supplies will continue to be provided by the school, however, any assistance is greatly appreciated.

**Students in grades 6, 7 and 8 have the privilege of using lockers for their belongings. It is expected that locks will be purchased from the school (at a cost of \$5) for securing individual lockers. We have had a number of problems with the variety of locks this year that has resulted in damage to bolt cutters, lockers, etc. As a result, it is expected that only locks purchased from the school will be permitted.*

Spaghetti straps or tops with narrow straps are not appropriate for school. Words/slogans must not be displayed across the seat of pants. Please ensure that the neckline does not extend past the width of the student's hand placed sideways at the base of the neck. Since the use of tobacco, drugs and alcohol products is inappropriate for children, it is expected that these products will not be displayed on their clothing. Slogans should be appropriate for children of all ages. Where it is deemed necessary, students will be asked to change into their physical education clothes or they will be sent home to change. Hats are not to be worn inside the school. The use of perfume/cologne and strongly fragranced personal hygiene products is not permitted.</p>
