

Homework Help

Free Math Tutoring for Grades 7 to 10

Homework Help is a website that offers free math help for students in Grades 7, 8, 9 and 10. Key features of the site include:

- Free one-on-one math tutoring (Sunday to Thursday, 5:30 pm – 9:30 pm)
- An interactive whiteboard where you can ask math questions to a real teacher
- Interactive learning games, videos and tutorials
- Listen and learn tutorials under best sessions
- Interactive learning games
- A scientific calculator, interactive glossary and more!

Homework Help Registration Instructions

If you remember your account from last year, you can login with the same username and password other wise use the instructions below to register your account for free math tutoring.

Go to the website: www.homeworkhelp.ilc.org

1. You will be asked for your OEN Number and your birthday. (*You can retrieve your OEN number from your report card, timetable or from the office. Your teacher may also have a list of OEN's printed for the whole class*)

2. You will be asked to enter additional information. (name, username, password etc.)
Write down your username and password

- *It is strongly encouraged that you choose a Username that allows you to remain anonymous. The Username entered will be your Username for future years. You should pick something memorable.*
- *Entering an email address is optional.*

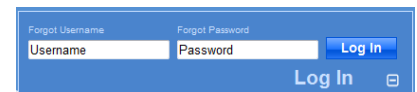

Notes:

▪ After this registration process, you will be able to login using your Username and Password

(a) Click the **Log In** button

(b) The Log In button will expand for **entering your Username and Password.**

- **If you forget your Username and/or Password**, you may re-register by clicking “Forgot Username” or “Forgot Password” and entering your OEN and Date of Birth. Your original Username will be restored.
- Teachers and other students may register as a Guest at any time, but will be unable to ask Tutors questions in the Chat Rooms.
- **If you require assistance with the registration process**, please email eLearn@wrdsb.on.ca with your questions.
