

Family Science Night

A Whole New World

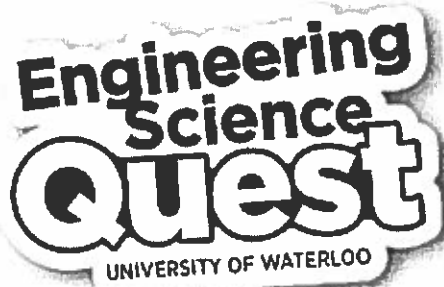

Crash Cars

Glo-ing Results

Clean Up Aisle Sea

Gliders Galore

Fight the Friction

Westmount Public School students and their families are invited to our annual
*** Family Science Night ***

at the school. Engineering Science Quest, from the University of Waterloo, will offer smaller-group workshops in several classrooms and a variety of interactive activities in the gym, giving children and their caregivers the opportunity to experience together the fun and excitement of science, engineering and technology.

The event, hosted by the School Council, is free of charge. No pre-registration is required.

Thursday, November 9
6:00 - 8:00 pm
