

Volunteers needed to support our Math Kits

We are excited to announce that Westvale has resumed the HOME MATH KIT PROGRAM!!!

These kits have been designed to be used at home, while supporting the learning that is happening in your child's classroom. All of the kits have been tied to the Ontario Curriculum and will come with the supplies you need to complete the activities at home. All students in the Primary Grades will have the opportunity to sign out these kits on a weekly basis.

We are currently seeking volunteers who are able to support in distributing these Math Kits.

Ideally we would like 2-3 volunteers for each day: Tuesday, Wednesday and Thursday from 9am-10am.

If you are able to volunteer, or know someone who would like to help, please email our Volunteer Coordinator, Jessica, at jessicabraks@yahoo.ca.

Thank You
