SOUTHWEST KITCHENER SECONDARY BOUNDARY STUDY

THURSDAY, FEBRUARY 7, 2019 7:00 - 9:00 PM
HURON HEIGHTS SECONDARY SCHOOL - CAFETERIA
1825 STRASBURG RD, KITCHENER

You are invited to a Public Meeting to learn about the Southwest Kitchener Secondary Boundary Study. This study is underway to address ongoing and future enrolment pressures at Huron Heights Secondary School. We encourage all families residing in the study area (Cameron Heights Collegiate Institute, Forest Heights Collegiate Institute and Huron Heights Secondary School) to attend the meeting and provide their feedback. It is important to note that no boundary changes are proposed for September 2019.

The meeting will include a brief formal presentation and an opportunity for families to provide feedback on proposed boundary options.
